Harry Sue - Sue Stauffacher 2009-02-04

Harry Sue Clotkin is tough. Her mom's in the slammer and she wants to get there too, as fast as possible, so they can be together. But it's not so easy to become a juvenile delinquent when you've got a tender heart. Harry Sue's got her hands full caring for the crumb-snatchers who take up her afternoons at the day care center, and spending time with her best friend Homer, a quadriplegic who sees life from a skylight in the roof of his tree house. When Harry Sue finds an unlikely confidante in her new art teacher, her ambitions toward a life of crime are sidelined as she comes to a deeper understanding about her past--and future. Sue Stauffacher has once again crafted a fast-paced middle-grade novel filled with quirky but lovable characters, a narrator impossible to ignore, a completely original plot, and a whole lot of redemption.

Patient Safety and Quality - 2008

"Nurses play a vital role in improving the safety and quality of patient care -- not only in the hospital or ambulatory treatment facility, but also of community-based care and the care performed by family members. Nurses need know what proven techniques and interventions they can use to enhance patient outcomes. The New Testament - Jericho Brown 2015-10-15

Honored as a "Best Book of 2014" by Library Journal NPR.org writes: "In his second collection, The New Testament, Brown treats disease and love and lust between men, with a gentle touch, returning again and again to the stories of the Bible, which confirm or dispute his vision of real life. 'Every last word is contagious,' he writes, awake to all the implications of that phrase. There is plenty of guilt—survivor's guilt, sinner's guilt—and ever-present death, but also the joy of survival and sin. And not everyone has the chutzpah to rewrite The Good Book."—NPR.org "Erotic and grief-stricken, ministerial and playful, Brown offers his reader a journey unlike any other in contemporary poetry."—Rain Taxi "To read Jericho Brown's poems is to encounter devastating genius."—Claudia Rankine In the

world of Jericho Brown's second book, disease runs through the body, violence runs through the neighborhood, memories run through the mind, trauma runs through generations. Almost eerily quiet in even the bluntest of poems, Brown gives us the ache of a throat that has yet to say the hardest thing—and the truth is coming on fast. Fairy Tale Say the shame I see inching like steam Along the streets will never seep Beneath the doors of this bedroom, And if it does, if we dare to breathe, Tell me that though the world ends us, Lover, it cannot end our love Of narrative. Don't you have a story For me?—like the one you tell With fingers over my lips to keep me From sighing when—before the queen Is kidnapped—the prince bows To the enemy, handing over the horn Of his favorite unicorn like those men Brought, bought, and whipped until They accepted their masters' names. Jericho Brown worked as the speechwriter for the mayor of New Orleans before earning his PhD in creative writing and literature from the University of Houston. His first book, *PLEASE (New Issues)*, won the American Book Award. He currently teaches at Emory University and lives in Atlanta, Georgia.

Collected Poems of Bob Kaufman - Bob Kaufman 2019-10

"Bob Kaufman's life is written on mirrors in smoke."--Jack Kerouac "So much did he embody a French tradition of the poet as outsider, madman, and outcast, that in France, Kaufman was called the Black Rimbaud."--David Henderson "He was an original voice. No one else talked like him. No one else wrote poetry like him."--Lawrence Ferlinghetti *The Collected Poems of Bob Kaufman* brings together every known surviving poem by this major African-American surrealist, including the three books published in his lifetime, *Solitudes*, *Crowded with Loneliness*, *Golden Sardine*, and *The Ancient Rain*. With over 30 previously uncollected works, *Collected Poems* is the first comprehensive presentation of this truly original, streetwise autodidact and member of the Beat Generation. Included here are a foreword by devorah major, reminiscences by editors Raymond Foye and Neeli Cherkovski, and a biographical timeline by editor Tate Swindell, which chronicles this elusive poet's movements across the country and around the world. *Collected Poems* is a landmark poetic achievement and marks Kaufman's welcome return to City Lights Publishers. Praise for *Collected Poems of Bob Kaufman*: "With this magnetic new unveiling Bob Kaufman trenchantly sunders endemic retrocausal error and neglect that his casted his fate into a secondary enclave of lesser mastery. To set the story straight it was his spirit that helped sire the Ginsberg that we know and not vice versa. It was he who magically hoisted the invisible umbrella under which Kerouac and others such as Corso were enabled to protractedly flourish. Arrested 39 times for poetic brilliance via bravura he was the absolute contrary of the sterile academic scrounging for golden verbal eggs. Never concerned with immediate notoriety he passed across unerring emptiness as a poetic lahar sweeping in all directions at once. He volcanically en-veined the Beats as a mirage enveloped Surrealist; not as a formal poet, but one, like Rimbaud, who embodied butane. Following the scent of his butane on one anonymous North Beach afternoon led Philip Lamantia to audibly utter to me that Bob Kaufman as per incandescent singularity is 'our poet.'"--Will Alexander "Bob Kaufman is one our most vulnerable, mysterious and beautiful of poets, a nomadic maudit, surrealist saint of the streets, votary of silence, the consummate Outrider with trickster imagination and visionary power. What does it take to be such a poet-man, veils/layers of existence laced with hardship, suffering? Not many like this anymore. The Black American Rimbaud, as he was christened in France. His poems make me weep and bow with humility and wonder. I last saw him, shape-shifting shaman on Ken Kesey's stage in Oregon, swirling in a torque of rage, enlightenment, and prescience. Pure product of America's madness: fury and tenderness. The writing is complex and lays its soul baring down on jazz inflected syllables and riffs for all to read and tremble within. No serious canon is complete without this insistent rhythm, poetic acuity, and a body's last resort to sing."--Anne Waldman "Uplifting the voice of this under-sung literary master to future's light is the mission of the *Collected Poems of Bob Kaufman*. This poet's poet on the cliff edge of no ledge is still continuing to foster new surrealizations. Read this bebopian wordsmith, his pen turned saxophone and ink notes that are black tears."--Kamau Daaood

American Poetry: The Seventeenth and Eighteenth Centuries (LOA #178) - David Sheilds 2007-10-18

Up From Slavery - Booker T. Washington 1907

Deals partly with the establishment of the Tuskegee Normal and

Industrial Institute.

Book of Rhymes - Adam Bradley 2017-06-27

If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. *Book of Rhymes* explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

The Upward Look - 2008

The Rocket into Planetary Space - Hermann Oberth 2014-10-22

For all being interested in astronautics, this translation of Hermann Oberth's classic work is a truly historic event. Readers will be impressed with this extraordinary pioneer and his incredible achievement. In a relatively short work of 1923, Hermann Oberth laid down the mathematical laws governing rocketry and spaceflight, and he offered practical design considerations based on those laws.

No Logo - Naomi Klein 2000-01-15

An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture

Oppression and Liberty - Simone Weil 2001

In this remarkable work, Weil analyses the causes of oppression, its mechanisms and forms, and questions revolutionary responses while presenting a prophetic view of a way forward.

On Entering the Sea - Nizar Qabbani 1996

A unique collection by the Arab world's most renowned poet. In a political age, in which the struggle against external and internal oppression has become central in Arabic poetry, Nizar Qabbani has succeeded in re-establishing the vitality and perennial force of the erotic in human life. Picking up a tradition of Arabic love poetry sixteen centuries old, he has enriched it with the experience of a modern man deeply aware of the changing status of women in contemporary times, and given the most eloquent poetic expression to the imperative of woman's freedom and her right to assume control over her body and emotions. An accomplished master of the erotic, standing among the best love poets of the world, Qabbani has asserted life and joy in the face of chaos and tragedy, paying fervent homage, sustained over five decades, to woman's grace and loveliness. As such he has been able to bring equilibrium and decorum to poetry in crisis, reviving faith in the possibility of happiness and emotional fulfillment. Yet he is also moved to anger by the forces of evil around him, and the opposing poles of exaltation and rage, of agony and ecstasy, describe his unique experiment. A man of his times and of all times, he is by far the most popular poet in the Arab world.

Working with Academic Literacies - Theresa Lillis 2015-11-04

The editors and contributors to this collection explore what it means to adopt an "academic literacies" approach in policy and pedagogy. Transformative practice is illustrated through case studies and critical commentaries from teacher-researchers working in a range of higher education contexts—from undergraduate to postgraduate levels, across disciplines, and spanning geopolitical regions including Australia, Brazil, Canada, Cataluña, Finland, France, Ireland, Portugal, South Africa, the United Kingdom, and the United States.

The Psychic Life of Power - Judith Butler 1997

Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and psychoanalysis in novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.

She Tries Her Tongue, Her Silence Softly Breaks - M. NourbeSe Philip 2015-10-06

Brilliant, lyrical, and passionate, this collection from the acclaimed poet M. NourbeSe Philip is an extended jazz riff running along the themes of language, racism, colonialism, and exile. In this groundbreaking collection, Philip defiantly challenges and resoundingly overthrows the silencing of black women through appropriation of language, offering no less than superb poetry resonant with beauty and strength. *She Tries*

Her Tongue, Her Silence Softly Breaks was originally published in 1989 and won the Casa de Las Americas Prize. This new Wesleyan edition includes a foreword by Evie Shockley. An online reader's companion will be available at <http://nourbesephipilip.site.wesleyan.edu>.

The Image of the City - Kevin Lynch 1964-06-15

The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los

Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital method for the evaluation of city form. The architect, the planner, and certainly the city dweller will all want to read this book.

Love and Living - Thomas Merton 2002-11

A selection of Merton's writings, the burden of which is the necessity of learning to live and to love, emphasizes the unending process of learning, modern man's fear of solitude, and humanity's place in nature

نزار قباني - Nizār Qabbānī 1999

This translation of Nizar Kabbani's poetry is accompanied by the striking Arabic texts of the poems, penned by Kabbani especially for this collection. Kabbani was a poet of great simplicity - direct, spontaneous, musical, using the language of everyday life. He was a ceaseless campaigner for women's rights, and his verses praise the beauty of the female body, and of love. He was an Arab nationalist, yet he criticized Arab dictators and the lack of freedom in the Arab world.

This is a Poem that Heals Fish - Jean-Pierre Siméon 2007

After his mother, hurrying to her tuba lesson, tells him that a poem will cure his pet fish's boredom, a little boy tries to find out what a poem is by asking friends, neighbors, and other members of his family.

Lippincott's Textbook for Nursing Assistants - Pamela J. Carter 2005

This textbook for nursing assistants will prepare students not only to function in the traditional nursing assistant role in nursing homes, hospitals, and home health, but also will prepare students to advance their careers. A nursing assistant student who uses this text will have a firm foundation by which to transition to an LPN and ultimately an RN role. The text offers a compelling art program, a direct, conversational writing style, and an emphasis on professionalism and humanism. A back-of-book CD-ROM includes an audio glossary.

The Way Up to Heaven (A Roald Dahl Short Story) - Roald Dahl 2012-09-13

The Way Up to Heaven is a brilliant gem of a short story from Roald Dahl, the master of the sting in the tail. In The Way Up to Heaven, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, a woman obsessed with punctuality makes a fateful decision . . . The Way Up to Heaven is taken from the short story collection Kiss Kiss, which includes ten other devious and shocking stories, featuring the wife who pawns the mink coat from her lover with unexpected results; the priceless piece of furniture that is the subject of a deceitful bargain; a wronged woman taking revenge on her dead husband, and others. 'Unnerving bedtime stories, subtle, proficient, hair-raising and done to a turn.' (San Francisco Chronicle) This story is also available as a Penguin digital audio download read by Stephanie Beacham. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

Responding to Emergencies - Staywell 2012-08-01

A Little History of the World - E. H. Gombrich 2014-10-01

E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

The People Could Fly - Virginia Hamilton 2009-01-13

"The well-known author retells 24 black American folk tales in sure storytelling voice: animal tales, supernatural tales, fanciful and cautionary tales, and slave tales of freedom. All are beautifully readable. With the added attraction of 40 wonderfully expressive paintings by the Dillons, this collection should be snapped up."--(starred) School Library Journal. This book has been selected as a Common Core State Standards text Exemplar (Grade 6-8, Stories) in Appendix B.

The Talented Clementine - Sara Pennypacker 2013-05-14

Winner or washout? When it comes to tackling third grade, Clementine is at the top of her game—okay, so maybe not all the time. After her teacher announces that the third and fourth graders will be putting on a talent show, Clementine panics. She doesn't sing or dance or play an instrument. She can't even hop with finesse. And as if she didn't feel bad enough, her perfect best friend, Margaret, has so many talents, she has to alphabetize them to keep them straight... As the night of the big "Talent-palooza" draws closer, Clementine is desperate for an act, any act. But the unexpected talent she demonstrates at the show surprises everyone--most of all herself. This Clementine sequel is sure to bring the house down!

The Life of Buddha - Asvaghosha 2003-04

Originally written in the First Century, A.D. by Asvaghosha. This may be the oldest known story of the complete life of Buddha, having been written in the first century AD. The author was an educated ecclesiastic Buddhist who traveled throughout India collecting stories and traditions relating to the Buddha's life. He was a famous preacher and musician who then wove them into a Sanskrit poem which he performed musically during his travels. The people of India delighted in this magical tale whenever it was performed with the choir of musicians who traveled with him. It holds many facts that other biographies or stories of the Buddha don't have, which makes this work so important. The entire epic is preserved in this rare book, long out of print, which may have otherwise been lost to the western world.
