ai will replace middle management before robots replace hourly

how s ai going to do that better than a fellow human it will create metrics that will formalize a new paradigm you know that arbitrary number in your bank account that defines you that number on your report card that rating on an amazon review that number that s defining global inflation that metric that measures interest rate that number of hours you work

controllable mods minecraft curseforge

nov 15 2022 hey i have a fun suggestion that would actually be real cool to see in this mod as an option what if you could control the camera with not just the stick but also motion controls if the controller supports it for example the switch pro controller i would imagine it working like in splatoon where you move with the stick for rough camera movements while using motion to
