[A Fire's Shadow](#) - John Henry Clark 2009-05
Life is strange and beautiful. But sometimes overwhelming. As a result, we tell ourselves stories, to make these times move easier. If it were not for our daily stories, we would simply drift away into oblivion. I brought forward a collection of tales, twenty four in all, from as far away as the other side of the moon, to as near as your own home. They say truth is stranger than fiction, but this I tend to doubt. This is a book of fiction, So remember, things are not as they seem, and it's not over till the fat lady sings. So hang in there until the end, and you will not be disappointed.

The 1993 Canadiens - K.P. Wee 2020-01-26
Never to be confused with any previous Montreal Canadian "Flying Frenchmen" juggernauts who dominated the NHL between the 1950s and 1970s, the 1992-93 Canadiens, whose lone superstar was future Hall-of-Fame goaltender Patrick Roy, were essentially a nondescript team coming off an embarrassing second-round playoff series sweep against the Boston Bruins the previous spring. Yet these Habs, led by the goaltending of Roy and with timely goals from various unlikely heroes,

stunned the hockey world by winning a record 10 consecutive playoff overtime games over a magical seven-week run during the spring of 1993. Montreal ultimately captured hockey's ultimate prize that June—the 24th championship in franchise history—in the last Stanley Cup Finals series ever played at the venerable Montreal Forum. While the Canadiens had veteran presence in Kirk Muller, Vincent Damphousse, Brian Bellows, Denis Savard and Guy Carbonneau, Montreal might not have won the Cup without unlikely heroes like Gilbert Dionne, Stephan Lebeau and Paul DiPietro scoring goals in the clutch. Others such as Gary Leeman and Mario Roberge, despite not always being in the lineup, contributed in ways that didn't necessarily show up on the scoresheet. And behind the bench, while Jacques Demers made all the right moves that spring, he isn't even considered today among the top 50 coaches of all-time. More than a quarter century later, these Habs remain the last Canadian-based team to win the Cup—and in *The 1993 Canadiens: Seven Magical Weeks, Unlikely Heroes and Canada's Last Stanley Cup Champions*, K. P. Wee relives the story of this incredible season.

Religions in Antiquity - Jacob Neusner
2004-07-09

These essays were originally intended for presentation to Professor Erwin Ramsdell

Goodenough on the occasion of his seventy-fifth birthday. Before his death, in March, 1965, he knew of our plans for this volume and was gladdened by them.... The editor hopes that these papers, many of which fruitfully utilize Goodenough's scholarship, may contribute to the critical discussion of some problems of concern to him during his lifetime. He can conceive no higher, nor more appropriate, act of reverence for the memory of a beloved teacher and friend.

A Fierce Green Fire - Philip Shabecoff
2012-09-26

In *A Fierce Green Fire*, renowned environmental journalist Philip Shabecoff presents the definitive history of American environmentalism from the earliest days of the republic to the present. He offers a sweeping overview of the contemporary environmental movement and the political, economic, social and ethical forces that have shaped it. More importantly, he considers what today's environmental movement needs to do if it is to fight off the powerful forces that oppose it and succeed in its mission of protecting the American people, their habitat, and their future. Shabecoff traces the ecological transformation of North America as a result of the mass migration of Europeans to the New World, showing how the environmental impulse slowly formed among a growing number of Americans until, by the last third of the 20th Century, environmentalism emerged as a major

social and cultural movement. The efforts of key environmental figures -- among them Henry David Thoreau, George Perkins Marsh, Theodore Roosevelt, Gifford Pinchot, John Muir, Aldo Leopold, David Brower, Barry Commoner, and Rachel Carson -- are examined. So, too, are the activities of non-governmental environmental groups as well as government agencies such as the EPA and Interior Department, along with grassroots efforts of Americans in communities across the country. The author also describes the economic and ideological forces aligned against environmentalism and their increasing successes in recent decades. Originally published in 1993, this new edition brings the story up to date with an analysis of how the administration of George W. Bush is seeking to dismantle a half-century of progress in protecting the land and its people, and a consideration of the growing international effort to protect Earth's life-support systems and the obstacles that the United States government is placing before that effort. In a forward-looking final chapter, Shabecoff casts a cold eye on just what the environmental movement must do to address the challenges it faces. Now, at this time when environmental law, institutions, and values are under increased attack -- and opponents of environmentalism are enjoying overwhelming political and economic power -- *A Fierce Green Fire* is a vital reminder of how far we have come in protecting our environment and how much we have to lose.

It is now Book 1 in this new, exciting series. She hides behind her broken heart... Natalie suffered through a loss no mother should ever have to, and came out the other side vowing to keep her fractured heart locked away forever. After the recent death of her grandmother, and yet another surgery, she moves back to the magical town she grew up in, where she plans to live in isolation—nursing her broken body and shattered emotions. When a little cherub suddenly appears her first day there insisting Natalie decorate for Christmas, she snaps at the child and comes face to face with a man she'd spent a week with years ago—standing vigil at her meddling cousin's hospital bed—a man she'd held in her heart ever since. As her gaze locks on those gunmetal gray eyes, recognition is instantaneous—the attraction just as electric as ever—and she's ashamed and miserable to have

berated his little girl. When tragedy befalls her again, she finds herself ensconced in his home next door, reluctantly falling under the spell of this compassionate, handsome-as-sin man, and his sweet young child. He'd fallen under her spell years ago... Zach couldn't believe someone would snap at his little girl just because she'd suggested turning on Christmas lights. When he bounds up his new neighbor's porch steps to retrieve his child, he comes face to face with the woman who'd burrowed into his mind and heart years ago—a woman he couldn't forget—and was shocked at the pain and sadness still radiating from her beautiful eyes. He knew it would be best to ignore this emotionally damaged, sensuous woman, but his heart and soul knew she was meant for him and refused to cooperate. The tug of sympathy and compassion vie with the desire to get to know her as a woman—to find out if the attraction that had enveloped them both years ago in her cousin's hospital room was still as strong as ever. When tragedy strikes again and forces her into his home to be cherished and cared for, he'll finally get his chance to prove they belong together. The flames in her house kindle the heat flaming between them... Neither Zach or Natalie are prepared for hearts tripping and emotional barriers falling when he snatches her from the flames engulfing her home and winds up tucking her into his spare bedroom. He'll have the chance to prove to her not all men have evil intentions—that their mutual attraction had evolved to much, much more—and that a certain little cherub needed and wanted a mommy for Christmas. Will loving her holiday hero be enough to awaken passion and new love, or will Zach and Natalie let this chance at healing their broken hearts pass them by? *Loving Her Holiday Hero* is a steamy magical paranormal romance featuring a dominant, protective hero, a heroine who's coming into her own again after tragedy befell her, a sweet cherub looking for a mommy—and a matchmaking grandma from the afterlife.
