Tulagi - Clive Moore 2019-09-24

Tulagi was the capital of the British Solomon Islands Protectorate between 1897 and 1942. The British withdrawal from the island during the Pacific War, its capture by the Japanese and the American reconquest left the island's facilities damaged beyond repair. After the war, Britain moved the capital to the American military base on Guadalcanal, which became Honiara. The Tulagi settlement was an enclave of several small islands, the permanent population of which was never more than 600: 300 foreigners—one-third of European origin and most of the remainder Chinese—and an equivalent number of Solomon Islanders. Thousands of Solomon Islander males also passed through on their way to work on plantations and as boat crews, hospital patients and prisoners. The history of the Tulagi enclave provides an understanding of the origins of modern Solomon Islands. Tulagi was also a

significant outpost of the British Empire in the Pacific, which enables a close analysis of race, sex and class and the process of British colonisation and government in the late nineteenth and early twentieth centuries.

The Midnight Club - James Patterson 2007-07-01
#1 New York Times bestselling author James

Patterson weaves a suspenseful tale of a powerful mobster who runs up against a very determined cop and his faithful crime fighters. A stunningly brilliant psychopathic killer who has skillfully eluded the police from London to Paris to New York. A beautiful woman journalist suddenly in grave danger. An unorthodox New York detective whose motive for stopping the killer couldn't be more personal or emotional. All bound by the chains of secrecy, wealth, and crime formed by the cabal called The Midnight Club. "The Midnight Club is the novel I wrote just before Along Came A Spider. I'm certain that both Alex Cross and Sampson originated in ideas I had while writing this story. It's one of my favorites." - James Patterson
