Unlock Her Legs - Dominic Mann 2017-03-16

Want to become the type of man women go weak at the knees for? Want to be able to ignite primal attraction? If you would like to become the type of man women find irresistible... and do it even if you're currently the "nice guy" who always gets put in the friend zone... then this book will show you how. How will you learn to Unlock Her Legs? The #1 worst mistake most guys make with women. It

instantly kills attraction and makes women see you as sexually repulsive. (Hint: It's way more common than you might think.) Why women love jerks. (And how you can get laid like a bad boy... without being a complete asshole.) The type of men women have evolved to find irresistible, and how you can use this to trigger instinctive attraction Why you should do less for women and kill your inner nice guy execution style How to get physical and take her to bed

with ease How to weaponize flirting to create intense sexual tension. (Even if you're currently the world's clumsiest flirt.) Why you should tell her she looks fat in that dress And much, much more! To unlock her attraction... and her legs, click the BUY button at the top of this page.

[A History of Masculinity](#) - Ivan Jablonka 2022-02-03

'Exhilarating . . . a work of scholarship, but also inspiration. . . Go and read Jablonka and change the world' Christina Patterson, Sunday Times 'An unexpected bestseller in France. . . it has sparked conversations' Challenges A highly acclaimed, bestselling work from one of France's preeminent historians What does it mean to be a good man? To be a good father, or a good partner? A good brother, or a good friend? In this insightful analysis, social historian Ivan Jablonka offers a re-examination of the patriarchy and its impact on men. Ranging widely across cultures, from Mesopotamia to Confucianism to Christianity to

the revolutions of the eighteenth century, Jablonka uncovers the origins of our patriarchal societies. He then offers an updated model of masculinity based on a theory of gender justice which aims for a redistribution of gender, just as social justice demands the redistribution of wealth. Arguing that it is high time for men to be as involved in gender justice as women, Jablonka shows that in order to build a more equal and respectful society, we must gain a deeper understanding of the structure of patriarchy - and reframe the conversation so that men define themselves by the rights of women. Widely acclaimed in France, this is an important work from a major thinker.

Gynocentrism - Peter Wright 2014-08-22

Gynocentrism, a centuries old term, refers to the principle of female centeredness or female dominance in various social or interpersonal contexts. The term has recently enjoyed a resurgence, serving again as a descriptor of the expanding yet

Downloaded from
blog.thelondonwesthollywood.com
on by guest

centuries old obsession with the rights, status, and power of women. This book traces the history of that tradition to its roots in medieval society, while being careful to note the difference between benign gynocentric acts and the more problematic examples of gynocentric culture. The essays collected in this volume were originally penned for the website Gynocentrism and its Cultural Origins, and have since been revised for this eBook edition. The essays are grouped into five parts exploring various aspects of gynocentrism, and providing examples of the phenomenon from historical literature. The final part, Post Gynocentric Relationships explores the possibility of relationships built on the notion of friendship as an alternative to neurotic shibboleths of romantic love.

Mgtow - Bart Smith 2020-01-13
From the author of WATCH OUT LADIES (15 Things Every Woman Should Be Concerned About & Watch Out For To Protect Her Heart, Body, Find Real Love & Avoid A Lifetime

Of Loneliness), Bart Smith shares his concerns for his fellow man, woman, even companies (who employ both men/women) and governments who cannot survive without the participation from both men/women in the work force (let alone makin' babies), that if they don't pay attention to this increasing fallout trend among men, here's what will happen sooner than later: WOMEN will grow older ... ALONE! It's happening now! COMPANIES will go ... OUT of business. It's happening! GOVERNMENTS will not be able to ... SUSTAIN themselves! Really? Is this really happening? To what extent? Is the future really that grim for women, companies and governments? What does that say about the fate of the human race if we don't come together on this issue? Is there time to turn this around? Do women, companies and governments want to turn this trend around? How did all this come about? Perhaps this book (and others) and the forerunners in the MGTOW movement can expose what's

going on between men and women and how we have lost our way as nature had intended for us. The time to do something about this is NOW. Everyone's involvement is necessary!

The Tactical Guide to Women - Shawn T. Smith 2017-09

The Tactical Guide to Women delivers a solid plan for allowing the right women into your life, and keeping the wrong ones at a safe distance.

MGTOW Is Forever - Tim Patten 2020-01-06

This guide is dedicated to transforming every reader's unhealthy 'red pill rage', and moving it forward into a more positive, passionate, purposeful, and successful life.

Born Red Pilled: Mgtow Lined Notebook - Red Pill Notebooks 2019-04-02

MGTOW Men Going Their Own Way Stop seeking approval and start getting what you want in life. Few people have dared challenge the institution of marriage, but as rates of divorce rise, the number is growing. It has been exposed that Marriage has absolutely

zero benefits for men. This Awesome Notebook has: 6" x 9," 120 College Ruled Pages. Paperback Journal Softcover. Portable size for School, College, Work or Home. Great Gift for the Holidays for Coworkers, Friends, and Family. .

Mgtow Why I Cheat - Tim Patten 2018-02-21

This book aims to empower young men who love women by helping them understand how their natural passions can lead them into an emotional and financial abyss. The 11 cautionary tales in these pages, which detail the kinds of mind games, manipulation and legal dangers that males are regularly exposed to, make it clear just how lethal romantic relationships and marriage can be. However, for those who work to recognize bad choices and focus on making good decisions, the upside is greater freedom, happiness, and success. Since the men's liberation movement first became noticeable in Japan around 2006, it has spread rapidly, evolving into what has

become MGTOW, or Men Going Their Own Way across the world's nations. No longer content to be punished and unfairly treated simply because of biology, millions of men worldwide are sharing and learning new ways of navigating their interactions with the opposite sex, dodging the murderous bullets and razor wire surrounding the toxic, one-sided relationships that have long been the norm. Here's to freedom!
Federal Register - 1987-02-02

Why I Cheat - Tim Patten
2014-02-20

A recent survey showed that the average woman spends 133 hours per year nagging her husband or boyfriend. Up to 50% of domestic violence is perpetrated by women. Each year, millions of men are manipulated into marrying or impregnating their wives or girlfriends. Men, it's time to fight back and to reclaim your independence. Freedom is here. This self-help guide contains life lessons and instructions for empowering

yourself, escaping oppression by women, and enjoying more sex. These stories of courageous men striking out on their own will inspire you to seek a life of freedom and ambition. Learn how to: * Discover the sovereignty to go your own way * Avoid the pitfalls of bad relationships and unhappy marriages * Recognize how monogamy stifles altruism and creativity * Embrace your masculine nature and sex drive * Explain to your partner what being a man truly entails Tim Patten speaks up for men everywhere. Whether you're seeking to unfetter yourself from abuse, cope with a jealous partner, unleash your creativity and productivity or simply start having fun again, you will find the path to liberation in *Why I Cheat*. Here's to your freedom!
Fantasy, Online Misogyny and the Manosphere - Jacob Johanssen 2021-10-22
This book presents the first in-depth study of online misogyny and the manosphere from a psychoanalytic perspective. The author argues that the

Downloaded from
blog.thelondonwesthollywood.com
on by guest

men of the manosphere present contradictory thoughts, desires and fantasies about women which include but also go beyond misogyny. They are in a state of dis/inhibition: torn between (un)conscious forces and fantasies which erupt and are defended against.

Dis/inhibition shows itself in self-victimization and defensive apathy as well as toxic agency and symbolic power and expresses itself in desire for and hatred of other bodies. The text draws on the psychoanalytic thinkers Klaus Theweleit, Elisabeth Young-Bruehl, Jessica Benjamin and Wilhelm Reich to present detailed analyses of the communities within the so-called manosphere, including incels, Men Going Their Own Way (MGTOW), alt-right YouTubers and NoFap users. Drawing on wider discussions about the status of sexuality in contemporary neoliberal technoculture since the sexual revolution of the late 1960s, it illuminates how sexuality, racism and images of the white male body shape the fantasies

and affects of many men on the internet and beyond.

Integrating a unique theoretical framework to help understand how today's increase in online misogyny relates to the alt-right and fascism, Online Misogyny and the Manosphere is an important resource for academics in a variety of fields including psychoanalysis, media and communication studies, internet studies, masculinity research and more.

Is There Anything Good About Men? - Roy F.

Baumeister 2010-08-12

Have men really been engaged in a centuries-old conspiracy to exploit and oppress women? Have the essential differences between men and women really

been erased? Have men now become unnecessary? Are they good for anything at all? In *Is There Anything Good About Men?*, Roy Baumeister offers provocative answers to these and many other questions about the current state of manhood in America.

Baumeister argues that relations between men and women are now and have always been more cooperative than antagonistic, that men and women are different in basic ways, and that successful cultures capitalize on these differences to outperform rival cultures. Amongst our ancestors---as with many other species--only the alpha males were able to reproduce, leading them to take more risks and to exhibit more aggressive and protective behaviors than women, whose evolutionary strategies required a different set of behaviors. Whereas women favor and excel at one-to-one intimate relationships, men compete with one another and build larger organizations and social networks from which culture grows. But cultures in

Downloaded from
blog.thelondonwesthollywood.com
on by guest

turn exploit men by insisting that their role is to achieve and produce, to provide for others, and if necessary to sacrifice themselves. Baumeister shows that while men have greatly benefited from the culture they have created, they have also suffered because of it. Men may dominate the upper echelons of business and politics, but far more men than women die in work-related accidents, are incarcerated, or are killed in battle--facts nearly always left out of current gender debates. Engagingly written, brilliantly argued, and based on evidence from a wide range of disciplines, *Is There Anything Good About Men?* offers a new and far more balanced view of gender relations.

Seduction - Rachel O'Neill
2018-07-04

Within the so-called seduction community, the ability to meet and attract women is understood as a skill which heterosexual men can cultivate through practical training and personal development. Though it has been an object of media

speculation - and frequent sensationalism - for over a decade, this cultural formation remains poorly understood. In the first book-length study of the industry, Rachel O'Neill takes us into the world of seduction seminars, training events, instructional guidebooks and video tutorials. Pushing past established understandings of 'pickup artists' as pathetic, pathological or perverse, she examines what makes seduction so compelling for those drawn to participate in this sphere. Seduction vividly portrays how the twin rationalities of neoliberalism and postfeminism are reorganising contemporary intimate life, as labour-intensive and profit-orientated modes of sociality consume other forms of being and relating. It is essential reading for students and scholars of gender, sexuality, sociology and cultural studies, as well as anyone who wants to understand the seduction industry's overarching logics and internal workings.

Mgtow - A. Mgtow 2016-08-24

Imagine a world where boys are taught from an early age to ignore their own needs and to serve women and girls. Now imagine that girls are also taught that they are princesses and that men are there to serve them. This is not fantasy, you are living in that world. The evidence is all around you, but you fail to acknowledge it, simply because you have been programmed not to recognize it. I'll be honest here, I am not a writer. This is my first book and I wrote it simply because I felt it needed to be written. It was not written for men that have gone Mgtow (although it may be useful to them). It was written for every man that wishes to avoid being used by a society that sees them as a disposable resource to be used and then thrown away. It will help men to avoid the pitfalls and enjoy the rewards of their labor rather than hemorrhage money and possessions to a bunch of greedy parasites. I

have spent the last three years putting this book together, writing, rewriting and trying to ensure that I cover everything I think is necessary. In that time a number of other books on the subject have been published. I don't know if they are better (I haven't read them). I only know that I couldn't publish earlier as this book wasn't finished. Now that it is complete, I hope it will enhance your life in ways you could never conceive.

Producing Masculinity - Michele White 2019-03-01

Thoughtful, witty, and illuminating, in this book Michele White explores the ways normative masculinity is associated with computers and the Internet and is a commonly enacted online gender practice. Through close readings and a series of case studies that range from wedding forums to men's makeup video tutorials, White considers the ways masculinities are structured through people's collaborations and contestations over the establishment of empowered positions, including debates about such key terms and

positions as "the nice guy," "nerd," "bro," and "groom."

She asserts that cultural notions of masculinity are reliant on figurations of women and femininity, and explores cultural conceptions of masculinity and the association of normative white heterosexual masculinity with men and women. A counterpart to her earlier book, *Producing Women*, White has crafted an excellent primer for scholars of gender, media, and Internet studies.

Toxic Masculinity, Casino Capitalism, and America's Favorite Card Game - Andrew Manno 2020-02-19

Poker is a centuries-old American game. Why has it become so popular in the twenty-first century? What does current interest in the game tell us about ourselves and some of our most pressing social issues? In this timely and thought-provoking book, Andrew Manno offers important insights into the intersection of gaming, gender, and capitalism that illuminate how the shift to a casino

capitalist economy—combined with a culture of toxic masculinity—impacts workers and how it has led to the rise of populism in the United States that manifested in the 2016 election of Donald Trump.

Duelling, the Russian Cultural Imagination, and Masculinity in Crisis - Amanda DiGioia

2020-10-13

This book, written from a feminist perspective, uses the focus of duelling to discuss the nature of masculinity in Russia. It traces the development of duelling and masculinity historically from the time of Peter the Great onwards, considers how duelling and masculinity have been represented in both literature and film and assesses the high emphasis given in Soviet times to gender equality, arguing that this was a failed experiment that ran counter to Russian tradition. It examines how duelling continues to be a feature of life in contemporary Russia and relates the situation in Russia to wider scholarship on the nature of masculinity more generally. Overall, the

book contends that Russia's valuing of a strong, militaristic form of masculinity is a major problem.

[Stand By Your Manhood](#) - Peter Lloyd 2016-07-07

DAILY MAIL BOOK OF THE WEEK Men must be the worst oppressors in history - we pay the most taxes, get the least support and play longer matches at Wimbledon for no extra money. We're also more likely to be homeless, circumcised, attacked, jailed, drafted, under-educated, short-changed in parenthood and shafted by divorce. Oh, and to top it all, we die sooner. Despite this, feminists still assert we live in a patriarchy and give us a hard time. Fortunately, Peter Lloyd is here to offer a reality check in this long-overdue lad bible. Part polemic, part toolkit for the modern man, *Stand By Your Manhood* answers all the burning questions facing the brotherhood today, including: Should we fund the first date? Is penis size a political issue? Are we sexist if we enjoy pornography? Why isn't there a

men's minister? Politically incorrect, fearless and laugh-out-loud funny, this is the deliciously provocative book that gives blokes their balls back.

What Do Men Want? - Nina Power 2022-02-03

From the acclaimed philosopher and author of *One-Dimensional Woman*, a bold, playful and open-minded exploration of the role of men in the twenty-first century. Something is definitely up with men. From millions online who engage with the manosphere to the #metoo backlash, from Men's Rights activists and incels to spiralling suicide rates, it's easy to see that, while men still rule the world, masculinity is in crisis. How can men and women live together in a world where capitalism and consumerism has replaced the values - family, religion, service and honour - that used to give our lives meaning? Feminism has gone some way towards dismantling the patriarchy, but how can we hold on to the best aspects of our metaphorical

Father? With illuminating writing from an original, big-picture perspective, *Nina Power* unlocks the secrets hidden in our culture to enable men and women to practice playfulness and forgiveness, and reach a true mutual understanding and a lifetime of love.

Inside Her (Mind) - Patrick King 2014-09-10

How do I keep her interested? Why is my relationship flailing? How do I keep her chasing me? How can I keep things fresh like the honeymoon phase? What exactly does it take to get your dream girl, keep her captivated, build your relationship to amazing heights, and live the most fulfilling relationship of your life? them tick and love... and now I'm bringing you advanced tactics and tips to figure your woman out and become the man they can't wait to tell their friends about! It doesn't matter if you're just crushing on someone, in a committed relationship, or even married! Universal differences require universal tips. Inside Her (Mind) isn't about playing games, acting like you're not interested, or manipulating her into wanting you! I tell you exactly how to truly step back and evaluate your relationship for all of its blemishes and strengths... and how to capitalize on those strengths, and constructively deal with those blemishes. These range from simple mindset shifts to powerful applications to help you discover the keys of attracting your ideal woman and keeping your relationship fresh and exciting... or beginning an amazing one. I'll truly help you get inside her mind and take advantage of the quirks of what we love/hate about women! Here's a preview of the powerful techniques

you'll learn about:

- Making sure you communicate affection and love in similar methods so no effort goes unnoticed.
- Inspiring your woman, motivating her, and becoming her muse.
- What exes have in common with Seal Team 6.
- Why being an "asshole" and being selfish have their place in relationships. As well as advanced perspectives such as...
- THE best questions to determine whether or not she is THE ONE.
- Why the pants in the relationship are meant for two and how to get them.
- Translating your inner thoughts and habits and how they reflect on your feelings.
- Why seizing your own independence and space will make her want you EVEN MORE. Finally discover how to keep your relationship exciting and the envy of all of her friends... and along the way discover if she's going to be your other half! Experience what a truly fulfilling relationship feels like, and unlock the potential that you've been missing. Learn to become

the guy that will keep her seduced and attracted no matter what! Wouldn't it be nice to have a partner that fills your every need? Not to have to worry if she's getting bored or tired of your routine?

Discover how happy your relationship has the potential to make you! Don't hesitate to pick up your copy of *Inside Her (Mind)* today by clicking above to download and see what you've been missing! P.S. Never have a relationship FIZZLE OUT on you again!

Proud Boys and the White Ethnostate - Alexandra Minna Stern 2019-07-16

What is the alt-right? What do they believe, and how did they take center stage in the American social and political consciousness? From a loose movement that lurked in the shadows in the early 2000s, the alt-right has achieved a level of visibility that has allowed it to expand significantly throughout America's cultural, political, and digital landscapes. Racist, sexist, and homophobic beliefs that were previously unspeakable have

become commonplace, normalized, and accepted—endangering American democracy and society as a whole. Yet in order to dismantle the destructive movement that has invaded our public consciousness, we must first understand the core beliefs that drive the alt-right. To help guide us through the contemporary moment, historian Alexandra Minna Stern excavates the alt-right memes and tropes that have erupted online and explores the alt-right's central texts, narratives, constructs, and insider language. She digs to the root of the alt-right's motivations: their deep-seated fear of an oncoming "white genocide" that can only be remedied through swift and aggressive action to reclaim white power. As the group makes concerted efforts to cast off the vestiges of neo-Nazism and normalize their appearance and their beliefs, the alt-right and their ideas can be hard to recognize. Through careful analysis, Stern brings awareness to the underlying

Downloaded from
blog.thelondonwesthollywood.com
on by guest

concepts that guide the alt-right and animate its overlapping forms of racism, xenophobia, transphobia, and anti-egalitarianism. She explains the key ideas of “red-pilling,” strategic trolling, gender essentialism, and the alt-right’s ultimate fantasy: a future where minorities have been removed and “cleansed” from the body politic and a white ethnostate is established in the United States. By unearthing the hidden mechanisms that power white nationalism, Stern reveals just how pervasive this movement truly is.

Digital Environments - Urte Undine Frömking 2017-03-31
Digital technology permeates the physical world. Social media and virtual reality, accessed via internet capable devices - computers, smartphones, tablets and wearables - affect nearly all aspects of social life. The contributions to this volume apply innovative forms of ethnographic research to the digital realm. They examine the emergence of new forms of

digital life, such as political participation through comments on East Greenlandic news blogs, the personal use of video broadcasting applications, the rise of transnational migrant networks facilitated by social media, or the effects of Facebook, Twitter, and Instagram on global conflicts.

Men Who Hate Women -

Laura Bates 2021-03-02

A groundbreaking book that pulls back the curtain on the terrorist movement no one is talking about. Women's rights activist Laura Bates has been the target of many misogynistic attacks online: from hate-fueled Twitter rants to vivid descriptions of her own rape and even death threats. At first, the vitriol seemed to be the work of a small handful of individual men... but over time, the volume and consistency of the attacks hinted at something bigger and more ominous. As Bates followed the thread of online misogyny farther into the corners of the internet, the spiral of hateful and toxic rhetoric deepened until she

Downloaded from
blog.thelondonwesthollywood.com
on by guest

found an unseen, organized movement of thousands of anonymous men wishing violence (and worse) upon women—the terrorism no one is talking about. *Men Who Hate Women* examines the rise of secretive extremist communities who despise women as Bates traces the roots of misogyny across a complex spider web of groups extending from Men's Rights Activists to trolls and the incel movement. Drawing parallels to other extremist movements around the world, including white nationalism, Bates shows what attracts men to the movement, how it grooms and radicalizes boys, how it operates, and what can be done to stop it. Most urgently of all, she follows the pathways this extreme ideology has taken from the darkest corners of the internet to emerge covertly in our mainstream media, our playgrounds, and our government. Going undercover on and offline, Bates provides the first comprehensive look at this under-the-radar phenomenon,

including eye-opening interviews with former members of these communities, the academics studying this movement, and the men fighting back. By turns fascinating and horrifying, *Men Who Hate Women* is a broad, unflinching account of the deep current of loathing toward women and anti-feminism that underpins our society and is a must-read for parents, educators, and anyone who believes in equality for women. "Men Who Hate Women has the power to spark social change."—*Sunday Times*
Men on Strike - Helen Smith
2014-12-09

American society has become anti-male. Men are sensing the backlash and are consciously and unconsciously going "on strike." They are dropping out of college, leaving the workforce and avoiding marriage and fatherhood at alarming rates. The trend is so pronounced that a number of books have been written about this "man-child" phenomenon, concluding that men have taken a vacation from

Downloaded from
blog.thelondonwesthollywood.com
on by guest

responsibility simply because they can. But why should men participate in a system that seems to be increasingly stacked against them? As *Men on Strike* demonstrates, men aren't dropping out because they are stuck in arrested development. They are instead acting rationally in response to the lack of incentives society offers them to be responsible fathers, husbands and providers. In addition, men are going on strike, either consciously or unconsciously, because they do not want to be injured by the myriad of laws, attitudes and hostility against them for the crime of happening to be male in the twenty-first century. Men are starting to fight back against the backlash. *Men on Strike* explains their battle cry.

Kesvani 2019-07-01

What does it mean to be Muslim in Britain today? If the media is anything to go by, it has something to do with mosques, community leaders, whether you wear a veil, and what your views on religious extremists are. But as all our lives become increasingly entwined with our online presence, British Muslims are taking to social media to carve their own narratives and tell their own stories, challenging stereotypes along the way. Follow Me, Akhi explores how young Muslims in Britain are using the internet to determine their own religious identity, both within their communities and as part of the country they live in. Entering a world of Muslim dating apps, social media influencers, online preachers, and LGBTQ and ex-Muslim groups, journalist Hussein Kesvani explores how British Islam has evolved into a multi-dimensional cultural identity that goes well beyond the confines of the mosque. He shows how a new generation of Muslims who have grown up in

the internet age use blogs, vlogging, and tweets to define their religion on their terms -- something that could change the course of 'British Islam' forever.

Bachelor Pad Economics -

Aaron Clarey 2013-12-11

"Bachelor Pad Economics" is THE financial advice bible for men...and any women who are bold enough to read it!

Whether you're 14 and just trying to figure out life, or 70 and starting to think about estate planning, "Bachelor Pad Economics" addresses every major (and minor) economic and financial issue the average man will face in his ENTIRE life. From dating, to what to major in, to purchasing a home, to starting a business, to children and "wife training," "Bachelor Pad Economics" is the wisdom you wish the father-you-never-had gave you. Written FOR GUYS it is candid, blunt, honest and everything else Oprah isn't, and will give you the road map you need to provide direction and purpose in your life. Guaranteed to prove more useful than a

college degree, "Bachelor Pad Economics" is WELL worth the money to buy and the time to read.

MGTOW Building Wealth and Power - Tim Patten 2016-01-12
MGTOW, Building Wealth and Power is both a celebration of modern masculinity and a practical guide to ensuring that men like us experience long-term contentment and have a better financial future. Inside this book are investing techniques that work; paying homage to the massive social movement of men which is ending entanglements and enhancing happiness through bachelorhood. This book features empowering insights on patriarchy, power, masculinity and the ancient secrets of creativity, as well as practical strategies for managing our money and building wealth. Also included are two campfire tales--for our ears only--that offer lessons on reorienting ourselves towards a more productive and enlightened existence. Men are the most remarkable and innovative beings on Earth. We

have harnessed every aspect of our world, from controlling fire to landing a space probe on a live comet. It is the author's hope that this book inspires you to draw on this innate power and help yourselves to live a better life. There's no doubt that each of us can tackle the goals we've dreamed of and longed for, but this is hard to achieve without taking certain steps. Throughout history, having sufficient resources--money--has allowed men to be free and powerful. Inside is encouragement for all of you to budget, save and invest.

Manning Up - Kay S. Hymowitz 2012-03-06
In Manning Up, Manhattan Institute fellow and City Journal contributing editor Kay Hymowitz argues that the gains of the feminist revolution have had a dramatic, unanticipated effect on the current generation of young men. Traditional roles of family man and provider have been turned upside down as "pre-adult" men, stuck between adolescence and "real"

adulthood, find themselves lost in a world where women make more money, are more educated, and are less likely to want to settle down and build a family. Their old scripts are gone, and young men find themselves adrift. Unlike women, they have no biological clock telling them it's time to grow up. Hymowitz argues that it's time for these young men to "man up."

SCUM Manifesto - Valerie Solanas 2016-04-05

Classic radical feminist statement from the woman who shot Andy Warhol "Life in this society being, at best, an utter bore and no aspect of society being at all relevant to women, there remains to civic-minded, responsible, thrill-seeking females only to overthrow the government, eliminate the money system, institute complete automation and destroy the male sex."

Outrageous and violent, *SCUM Manifesto* was widely lambasted when it first appeared in 1968. Valerie Solanas, the woman who shot Andy Warhol, self-published

the book just before she became a notorious household name and was confined to a mental institution. But for all its vitriol, it is impossible to dismiss as the mere rantings of a lesbian lunatic. In fact, the work has proved prescient, not only as a radical feminist analysis light years ahead of its time—predicting artificial insemination, ATMs, a feminist uprising against underrepresentation in the arts—but also as a stunning testament to the rage of an abused and destitute woman. In this edition, philosopher Avital Ronell's introduction reconsiders the evocative exuberance of this infamous text.

No More Mr. Nice Guy! - Robert A. Glover 2002-12-18
Debunks the "nice guy syndrome," the need to please others at one's own expense with the hope of receiving happiness, love, and fulfillment, and offers advice for how to rediscover oneself, revive one's sex life, and build better relationships with others.

Mgtow Quotes Vol-1 - CNOTE
2021-10-21

The Gentlemen's Book Of Enlightenment - Oheen Imara
2020-08-20

What if one day you discover everything you have ever believed about world and relationships was a lie? Imagine everything you have ever been taught concerning women and how to engage them was fabricated? What if you discovered your family, the media, the film industry, the music industry, women, as well as the government were greatly invested in your miseducation? The Gentlemen's Book Of Enlightenment seeks to explore these questions and

reveal a truth that has been hidden in plain sight. Men were bred to be utilities and are disposable. Weather through war, taxes, marriage, children, divorce, alimony, or child support men are forced to sacrifice their happiness and live a life of servitude in many if not all these areas. The reality is men are not valued as people. Men receive value based on what they can provide. This book is a guide to help men avoid the pitfalls of a society who has laid various traps in the minefield we call life. Join us on this journey as we discover the truth in chapters like "Love Vs. Respect", "What Does She Have To Offer You", and "You Will Never Make Her Happy". This book seeks to enlighten men and help start their journey to true happiness and walk away from system that only wants to keep them in bondage.

White Fragility - Dr. Robin DiAngelo 2018-06-26

The New York Times best-selling book exploring the counterproductive reactions

white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make

when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.
