**The Kid Looks Back-Short Stories & Tall Tales** - Ritchie R.

Moorhead 2011-07-12

The Kid Looks Back is a collection of sixty-eight stories that cover a wide range of topics. I hope that his book will be a gentle hiding place where you can go to get away from something, return to something or go where you have never been. Some of these stories are true. Others are factually true, although bit embellished. Others are outright fabrications. Most look back to a kinder, mellower time. Digging for worms, swimming in a pond, using an outhouse or wading in a river may bring gross evaluations from our urbanized cousins. I hope that this book introduces them to life with a smile. Most of the stories have a message. Many are simply humorous. Entertainment is the motive. Carefree is the mood. Try to find yourself within these pages. May the beak of reality crack your comfort shell. Start anywhere. Finish anytime. Enjoy!
