Success in Practical/Vocational Nursing - E-Book - Patricia Knecht 2016-07-19

A market-leading must-have and part of the LPN Threads series, *Success in Practical/Vocational Nursing, From Student to Leader, 8th Edition* provides you with everything you need to succeed in both nursing school and in a career in LPN/LVN nursing. With a strong emphasis on leadership, this clear, comprehensive new edition discusses the higher-level roles and responsibilities of an LPN/LVN leader, the skills necessary to become a successful LPN/LVN, and the future of the field. It is filled with opportunities for you to test your understanding as you read, as well as practice NCLEX review questions at the end of each chapter to prepare you for the NCLEX-PN® Examination. Collaborative Care boxes highlight challenges that occur in emerging community and continuing care workforce settings, and give you examples of leadership and management opportunities for LPN/LVNs in any health care setting you may find yourself. Critical Thinking boxes include activities that could be used in a flipped classroom experience, and provide you with critical thinking and problem solving opportunities throughout the chapter to enhance your understanding. Try This boxes provide students and instructors with clinical simulations or activities related to topics discussed in the text that can be utilized in simulation or role-play scenarios in class. Professional Pointers boxes give advice on nursing best practices in the professional arena during and after nursing school. Get Ready for the NCLEX® Examination! section at the end of the text contains key points, additional learning activities, and review questions for the NCLEX® Examination (including alternate format items in every chapter). Presents tips on taking the NCLEX-PN examination and information on applications, interviews, and the job search, including electronic resumes. Full-color design, cover, photos, and illustrations make this text visually appealing, pedagogically useful and easy to read. Numbered objectives open each chapter and provide a framework for content. Key points at the end of each chapter summarize chapter highlights and serve as an excellent review tool. Key terms with phonetic pronunciations are at the beginning of each chapter and in full color at first mention in the text, and assist you in improving and supplementing your terminology and language skills before you enter clinical practice. References and Suggested Readings lists are arranged by chapter at the end of the book to provide you with resources for further understanding of text concepts. NEW! Community Resources chapter covers tools and resources that you can find within your community to help you with learning, personal, and family needs that could interfere with success in school. NEW! Work Force Trends chapter discusses the most current issues, challenges, and concerns with the LPN/LVN workforce. NEW! Storytelling narratives at the beginning of each chapter use true stories to enhance learning and demonstrate the relevancy of key topics.

Redeem the Plus Code inside new, printed texts to access your DavisPlus online instructor and student resources, including your Davis Digital Version, your complete text online, as well as two, 75-question course exit exams. "I honestly feel that every incoming student nurse should have a copy of the Fundamentals Success book because it familiarizes students with what their fundamental tests will be like. Who wouldn't benefit from knowing what their test is going to look like? Being prepared with Fundamentals Success meant I hit the ground running. I aced my first test when most of my classmates were facing their first ever-academic failures. Nursing school is nothing like anything I have ever done before, memorizing text books will do little to prepare you to be a critical thinker. To succeed you must be able to apply the knowledge in multi-step process...the nursing process! The FA Davis books take you there and they do it quickly, because we nursing students needed to know it yesterday!" —Corrie Cyre, Hillsborough Community College Southshore, Student Nurses Association President

Handbook of Research on the Educator Continuum and Development of Teachers - Zugelder, Bryan S. 2022-06-24

In light of recent sociological events and the COVID-19 pandemic, education has undergone an incredible change in both policy and delivery. As a result, many educators have sought different career paths. It is essential to maintain a concentrated effort to retain educators; however, recruiting teachers into the profession is only one area of focus; there must be intentional support for teacher development along the educator continuum in order to sustain the profession through institutional struggles. The Handbook of Research on the Educator Continuum and Development of Teachers expands on the body of research related to the educator continuum with a holistic view of teacher development. This book combines theory, concepts, and research studies that pinpoint facets of the educator continuum, providing researchers with scholarly contributions that advance the profession. Covering topics such as instructional coaching, special educator career development, and teacher retention, this major reference work is a valuable resource for educational faculty and administration, teacher colleges, educators of K-12 and higher education, pre-service teachers, government officials, teacher education administrators, libraries, researchers, and academicians.
